

## SYMH Primary Update

### August 2018

*Hope you have all had a great summer and like it or not a new year will soon be upon us. This is a great time to reflect on which Maths Hub work group might suit your needs.*

*With over 50 FREE work groups starting this Autumn right across the region there should be a professional development opportunity near you.*

*Visit the SYMH website to see our map of opportunities.*

*Best wishes.*

*Pete*

#### **Data Privacy**

As part of our role in leading the South Yorkshire Maths Hub, Notre Dame collects and hold a certain amount of data about individuals involved in our work.

#### **Engagement in work groups**

The data includes name, role (with respect to hub work), school, email address, NCETM username and (in some cases) telephone number. The agreement between us and the Department of Education requires us to monitor and evaluate our work as a Maths Hub, and this is the legal basis for the data that we hold, on, for example, participation in the Work Groups that we coordinate. Such data is reported on a regular basis to the NCETM and shared with those individuals and organisations who are providing Maths Hub Leadership in our region (for example running work groups) to enable them to communicate with participants. In addition, we use this data to keep in touch with you on professional development opportunities and related matters.

This data will be retained for the duration of the activity of the South Yorkshire Maths Hub.

#### **Newsletter registration**

We collect and hold data of individuals who have registered to receive e-newsletters we send as part of our role in coordinating the South Yorkshire Maths Hub. The data includes name, school and email address. This data is used solely for distribution of newsletters and Hub related communication and is not shared. Personal data held for the distribution of newsletters will be retained until such point that you contact us to request that we remove your data from this list.

If you have any questions or concerns around our privacy policy please contact [admin@symathshub.org.uk](mailto:admin@symathshub.org.uk) or [data@notredame-high.co.uk](mailto:data@notredame-high.co.uk)
